## House Champagne

*The red cross of Saint Andre is symbolic of over a century of history and family tradition, the house was established in 1895 by Vicompte Florens de Castellane. It is today owned by Champagne Laurent Perrier and although fully integrated in its commercial strategy, De Castellane retains its traditional image and exists as a separate brand. Based in the centre of Epernay the Laurent Perrier Group has long term contracts with vine growers to guarantee consistency and quality, the style is extremely accessible for all bubble lovers...you will not be disappointed!*
