PURE TRANQUILITY

'The Lake' is a welcoming welsh country house set in it's own 50 acres, with sweeping lawns, rhododendron lined pathways, and miles of romantic riverside walks. Situated in the peaceful heart of Mid-Wales, this is a place for complete relaxation and contemplation, and is a world away from the everyday.

The whole house, or parts of it, are available for hire for presentations, conferences, weddings, away days, private functions, family get togethers, and private dining experiences.

We endeavour to be as flexible as possible, so please feel free to contact us with your individual requirements.
